

# Shipleigh Woodside Community Garden JUNE 2020

As the Community Garden is proving to be such a success and we have so much going on there, SEAG has decided we will now bring you a monthly Newsletter dedicated to the Community Garden. We hope you enjoy!

Work on the donated Shed coming together for what will be the compost toilet!

Tree of Life

## Other developments

 Small pre-formed donated pond installed and ready for planting.

 The Well created by our member Ben has been put to use and we have pumped several hundred litres thanks to the heavy rains!

 Donated Fig Tree from members Kay and Graham planted in the Food Forest

 Commenced work on removing turf for the main wheelchair accessible path, which will run from the entrance, through the Sensory Garden and ultimately up to the wildflower meadow.

 Donated Lavender plants now planted in the centre circle of the Sensory Garden around the Weeping Birch Tree - beautiful!

Socially distanced picnic celebrating the Summer Solstice. It was great to see you all. Thanks for all your support and the support from Keith Stevenson, Chairman of Shipleigh Parish Council.

Our volunteer Carl has been getting creative with the mower!

Member Ruth's handmade Scarecrows for the Scarecrow Trail held on 17th and 20th June and Shipleigh Scarecrow Trail taking place on the 4th July. If you want to know how to make your own, check out Ruth's guide by clicking [here](#).

More progress on the Sensory Garden, working on the different textured paths, lots of planting and mulching. Our member Kay has also been working on a solar powered water fountain using donated buckets and watering cans.

No garden is complete without a Gin Tree!
